- A completed admissions application. (Applications are in the back of the *College Catalog*.)
- Official high school transcript or GED score report.
- Test scores (i.e. TASP, ACT, SAT) if not listed on the high school transcript.

2. Pick up a Class Schedule and obtain a registration permit from the registrar's office in the White Administrative Services Center. (The registration permit is NOT required if you choose to telephone register.)

3. Determine TASP status:

- If TASP taken; *TASP exempt; or **TASP Waived, go to step 4.
- If TASP has not been taken, go to the Testing Center (second floor of Rogers Student Center) to take the COMPASS. (This is an alternative test to TASP—allow five hours to test. There is a fee of \$15 that needs to be paid in the cashier's office before testing.)

4. Meet with a Counselor/Advisor:

- Check with the deans' offices or the registrar's office for a list of advisors.
- The Counselor/Advisor helps the student with the following:
 - Interpretation of test scores
 - Course selection
 - Degree Plan and transfer information
 - Information on campus resources
 - Selecting a major
 - Information on the registration process.

5. Consult a current Class Schedule to determine registration dates.

6. For registration information, refer to a current Class Schedule.

7. After registration, pay tuition and fees, secure parking permit and student ID card.

**Determined when an application is received. TASP status is based upon college credit prior to Fall of 1989, or scores from one of the following tests: ACT, SAT or TAAS. Students who are exempt from TASP may still be required to take part of the Pre-TASP or COMPASS. See the registrar's office or a Counselor/Advisor for verification of TASP status.*

Returning Student Advising Process

In order to register for classes, the following are general registration procedures:

1. Pick up a class schedule. (Schedules are generally available during mid-semester for the following semester.)

2. Pick up a Class Schedule and obtain a registration permit from the registrar's office in the White Administrative Services Center. (The registration permit is NOT required if you choose to telephone register.)

3. Meet with a counselor/advisor if you need assistance in course selection.

 - Information on the registration process

4. For registration information, refer to a current Class Schedule.

5. After registration, pay tuition and fees, secure parking permit and student ID card.

Consider the following factors prior to Registration:

1. Are you TASP liable? If so, have you taken the TASP?

- If you have not taken the TASP, see a counselor or advisor or the registrar's office regarding your options. Remember, unless a student is TASP Exempt or in a TASP Waived certificate program, he/she must take the TASP before registering at a Texas state public institution.

2. Are you knowledgeable of your degree plan? Have you chosen a major or changed your major?

- In any case, you may choose to see a Counselor or Advisor for degree plan information, advisement on course selections, information and referral help with choosing or declaring a major, transfer information, graduation requirements, and other academic issues.

3. Are you on scholastic probation?

- If so, you are required to see the counselor or advisor from your school. (Business and Technology; Health and Natural Sciences or Liberal and Fine Arts) for assistance in course selections and information on study skills and tutorial resources. Be aware that, due to your GPA, you may be limited in the number of hours and type of courses for which you may enroll.

4. Do you plan to graduate this semester?

*If so, then follow the steps below:

- Plan to meet with a counselor or advisor in your major and/or school to confirm your graduation status.
- If necessary, request course waivers and/or substitutions for specific degree plan requirements.
- Apply for graduation by the published deadline. (See the *College Catalog* for dates.)

Transfer Student Advising Process

2. Pick up a Class Schedule and obtain a registration permit from the registrar's office in the White Administrative Services Center. (The registration permit is NOT required if you choose to telephone register.)

3. Determine TASP status:

- If you are TASP liable and have not taken the TASP, see a counselor or advisor or the registrar's office regarding your options. Remember, unless a student is *TASP Exempt or in a **TASP Waived certificate program, he/she must take the TASP before registering at a Texas state public institution. A local placement test (PTT or COMPASS) may be required of some students regardless of their TASP status.

4. Contact the Transcript Evaluator in the Admissions Office for an evaluation of transfer credits.

5. Meet with a counselor or advisor:

- Check with the deans' offices or registrar's office for a list of advisors.
- The counselor/advisor helps the student with the following:
 - Interpretation of test scores

8. After registration, pay tuition and fees, secure parking permit and student ID card.

**Determined when an application is received. TASP status is based upon college credit prior to Fall of 1989 or scores from one of the following tests: ACT, SAT or TAAS. Students who are exempt from TASP may still be required to take part of the Pre-TASP or COMPASS. See the registrar's office or a counselor/advisor for verification of TASP status.*

TASP INFORMATION*

Texas Academic Skills Program (TASP)

In 1987, the Texas Legislature passed House Bill 2182. This bill, which became effective with the fall 1989 semester, requires that all Texas public college and university students be tested for reading, writing and mathematics skills. This legislation applies to students enrolling in Tyler Junior College.

What is the TASP Test?

The TASP Test measures the reading, mathematics, and writing skills that a high school graduate should possess upon entry into higher education. It does not measure skills you are expected to acquire in your collegiate level work. Each test section is composed of about 40–50 multiple-choice questions. The writing section also requires that you write an essay of about 300–600 words.

Do I have to take the test?

You must take the TASP Test (or an acceptable alternative test) if you are a full- or part-time student at a public community college or university in Texas or if you are planning to enter any educator preparation program in Texas unless you qualify for a TASP exemption. See the current *TASP® Test Registration Bulletin* for a listing of TASP exemptions.

When do I have to take the TASP Test?

The TASP Test must be taken before enrolling at a Texas public institution of higher education. (Exceptions, with prior approval, may be given, for certain certificate programs or individuals in certain circumstances.)

What happens if I do not take the test?

Unless a specific exception applies, the TASP law requires that you take the TASP Test before enrolling in any college level course work. If you do not, you will be limited to enrolling in non-credit developmental courses only.

What happens if I do not pass all three sections of the TASP Test?

The law says that you will have to be in continuous (every semester) remediation until you pass all parts of the TASP Test or until completing the college's developmental program in the areas failed. This is done by taking developmental courses.

Do I have to be in remediation in every area that I fail every semester?

No. You have to be in remediation in at least one area failed each semester until you pass all parts of the TASP Test or satisfactorily complete the developmental program in the areas failed. However, remediation in all areas not passed is strongly recommended.

How do I register to take the test?

To register for the TASP Test, you must fill out a registration form prior to the test administration. The *TASP® Test Registration Bulletin* provides you with all the information necessary to register for the TASP Test and is available through your Testing Center, admissions/registrar's office, or contact: TASP Test, National Evaluation Systems, Inc., P. O. Box 140347, Austin, Texas 78714-0347, 512-927-5397.

All registration is on a first-come, first-served basis. Mail your registration as soon as possible before the deadline. See the back cover of the *TASP® Test Registration Bulletin* for a schedule of test dates and deadlines.

Are students with disabilities provided special testing accommodations for TASP?

Students with disabilities who seek special testing accommodations for TASP should consult the TASP Test Registration Bulletin. Requests are submitted to and approved by TASP headquarters in Austin.

Does TASP offer special provisions for students with disabilities?

Students diagnosed with certain specific disabilities may be eligible for special provisions and should contact the Testing Center or admissions/registrar's office at TJC or the TASP Test, National Evaluation Systems, Inc., P.O. Box 140347, Austin, Texas 78714-0347.

**Subject to change by Texas State Legislature.*

Is Tyler Junior College a TASP Testing Center?

Yes. However, you may choose to register at any center listed in the TASP Registration Bulletin.

If I am transferring from out of state or a private college (i.e., SMU, Rice, Baylor, etc . . .) do I still have to take the TASP Test?

Yes, unless you have completed three college-level hours prior to fall 1989, or meet any of the exemption qualifications below. (Summer only transfer students may ask about other exemptions.)

Where can I get additional information about TASP testing requirements, test dates, etc.?

You can get answers to your TASP questions from the TASP Registration Bulletin or by calling the Registrar's Office at 903-510-2713 or the Admission's Office at 903-510-2523.

Who Is Exempt from Taking the Test?

You are exempt from taking the TASP Test if any one of the conditions listed below applies to you.

- You receive credit for at least three (3) semester credit hours or the equivalent of college-level work prior to 1989.
- You are blind and receive credit for at least three (3) semester credit hours of college-level work prior to fall 1995. (Appropriate testing accommodations will be available for blind students who do not meet this exemption requirement.)
- If you are deaf and you received credit for at least three (3) semester credit hours of college-level work prior to fall 1995, you are exempt from the basic skills testing (i.e., TASP Test) requirement for students entering college. However, if you are deaf but did NOT receive credit for at least three (3) semester credit hours of college-level work prior to fall 1995, you are required to take and pass the Stanford Achievement Test in lieu of the TASP Test. Contact your college advisor for more information. Please contact National Evaluation Systems, Inc., for a copy of the Stanford Achievement Test Registration Bulletin.
- You have met qualifying standards on the American College Test (ACT), Scholastic Assessment Test (SAT), or the exit-level Texas Assessment of Academic Skills (TAAS) test:
 - ACT composite score of 23 or higher with English and math part scores equal to or greater than 19.
 - SAT (for tests from April 1995 and later) combined scores of 1070 or higher with verbal and math part scores equal to or greater than 500.
 - SAT (for tests prior to April 1995) combined scores of 970 with verbal part score equal to or greater than 420 and math part score equal to or greater than 470.
 - TAAS scale scores (for tests from spring 1994 and later) of TLI X-89 or higher in reading, TLI X-86 or higher in math, and 1770 or higher in writing.
 - TAAS scale scores (for tests prior to spring 1994) of 1790 or higher in all three applicable areas (reading, math and writing).

ACT and SAT scores may be no more than five years old and exit-level TAAS scores may be no more than three years old. The exemption scores must be achieved at a single administration of the ACT or SAT or the first attempt of the TAAS. (Separate scores from different tests or separate scores from different administrations of the same test cannot be combined to qualify for an exemption.)

- You are 55 years of age or older and not seeking a degree or certificate from a Texas public institution that chooses to make this exemption available.
- You are enrolled on a temporary basis in a Texas public institution of higher education.
- You are enrolled in a certificate program of one year or less (42 or fewer semester credit hours or the equivalent).

Check with the TASP officer or advisor at your college, university, or institution to determine whether you are eligible for an exemption.

ABOUT THE HOPE SCHOLARSHIP AND OTHER RECENT TAX BENEFITS

1. What is the HOPE Scholarship?

The HOPE "Scholarship" is not technically a "scholarship." It is a tax credit available to eligible students during their first two years of postsecondary education. The tax credit covers 100 percent of the first \$1,000 of tuition and fees and 50 percent of the second \$1,000 during the qualified period. The credit is non-refundable.

2. Who is eligible?

To be eligible, a student must be enrolled in a degree, certificate, or other program leading to a recognized education credential (i.e. associate degree, automotive technician certificate, etc.). The student must be enrolled at least half time.

3. When does it take effect?

The HOPE tax credit applies for expenses paid after December 31, 1997, and for education provided in academic periods beginning after that date.

4. How long is it available?

The tax credit is available for two tax years to those students who have not completed the first two years of postsecondary education.

5. What items are included in the tax credit?

HOPE applies only to tuition and fees—not to books, dormitory costs, or other living expenses.

6. Does the tax credit affect my Pell Grant or other financial aid?

The amount of tuition and fees covered by the HOPE tax credit is reduced by other grant and scholarship aid received. This includes scholarship funds excluded from an individual's gross income, as well as federal grant aid such as Pell Grants. Example: If a student incurs \$1,250 in tuition and fees and receives a Pell Grant greater than \$1,250, he is not eligible for the HOPE credit. Or, if a student is responsible for \$1,250 in tuition and fees and receives a Pell Grant of \$700, the student is eligible for a tax credit of \$550.

7. Are there any restrictions?

Yes. Students convicted of a felony related to the possession or distribution of a controlled substance such as heroin or marijuana are not eligible. In addition, individual filers who earn income in excess of \$50,000 are ineligible, as are joint tax filers whose income exceeds \$100,000. The tax credit is also reduced by certain other types of financial aid received by the student such as the Pell Grant.

8. How do I apply?

Eligible individuals will claim the credit when they file their federal income tax forms in April.

9. How does it work for part-time students?

Students attending less than half time are not eligible for the HOPE tax credit. However they may be eligible for the lifetime learning credit described below.

10. Do I have to file a separate IRS form or will it be part of the standard 1040?

Those filing for the tax credit will have to complete a separate tax schedule similar to those required for interest and dividend income or child care

expenses. Your income tax instruction pages will have complete details and examples.

11. Who administers the program?

The college or other educational institution is responsible for reporting the name, address, and tax payer identification number of the student, as well as for providing information relating to the enrollment status of the student. TJC provides this information by mailing a Form 1098-T to the student's permanent address following the end of the calendar year.

12. Where can I get more information about the HOPE tax-credit?

Contact the financial aid office of the college you are attending or plan to attend. You may find additional information on the Web site of the American Association of Community Colleges, <http://www.aacc.nche.edu>.

13. What are some of the other new educational tax benefits?

• Lifetime Learning Credit

College juniors, seniors, graduate students, adults returning to college, and less than half-time students are eligible for a new lifetime learning tax credit. The credit is worth 20 percent of the first \$5,000 of tuition and fees through the year 2002, and 20 percent of the first \$10,000 in tuition and fees after that. This credit is available for tuition and fees paid after June 30, 1998. Eligibility is phased out at the same income levels as the HOPE Scholarship. (Single-filers over \$50,000 and joint filers over \$100,000 are ineligible). The lifetime credit may not be claimed during the same year as the HOPE tax credit.

• Exemption of Employer-Provided Assistance

Section 127 of the IRS Code allows working adults to exclude annually from taxable income up to \$5,250 in employer-provided assistance. The new law extends Section 127 for three years, retroactive from May 31, 1997. The benefit does not apply to graduate programs.

• Exemption of Scholarships and Tuition Remission

Section 117 of the IRS Code excludes from taxable income funds received as a qualified scholarship, as well as tuition remission support for both graduate students and relatives of employees of colleges and universities. This benefit is unchanged from existing law.

• Deduction of Student Loan Interest

A student may deduct up to \$2,500 per year of interest on education loans for expenses of students enrolled in higher education. The maximum deduction is \$1,000 in 1998, increasing in \$500 increments each year until reaching \$2,500. The deduction is allowed only for the first 60 months of interest payments. Months during which the loan is in deferral or forbearance do not count against the 60-month period. The deduction is effective on interest payments due and paid after December 31, 1997. In the case of existing loans, interest payments qualify for deduction to the extent that the 60-month period has not expired. Eligibility for this deduction is phased out for single filers with incomes between \$40,000 and \$55,000, and for joint filers with incomes between \$60,000 and \$75,000.

(For further information on the HOPE or Lifetime learning tax credit, consult your tax advisor.)

Accommodations for the Student with a Disability

Tyler Junior College welcomes students with disabilities who have the potential for academic success in the post-secondary educational environment. To request accommodations, the student with a disability should arrange an appointment with a support services counselor to obtain the Request Accommodations Form (RAF). **Appropriate documentation of physical or psycho/educational evaluation that meets TJC guidelines or a referral from an appropriate rehabilitation agency (such as Texas Rehabilitation Commission or the Texas Commission for the Blind) that clearly documents the disability and supports the need for accommodations must be submitted before any accommodations can be arranged.** The deadline for applying for assistance with the support services office is normally four weeks prior to the beginning of the initial semester of enrollment, to allow time for review and adequate coordination of services. The deadline for applying for subsequent continuous semesters of enrollment is two weeks prior to the beginning of regular college registration for that semester.

Prospective and current students, parents or others who have questions or seek additional information regarding Support Services should call or visit this office in the Rogers Student Center; Voice 903-510-2667, TDD 903-510-2841 or 2394.
